

# Healthcare Professionals' Attitudes Toward OPIOIDS

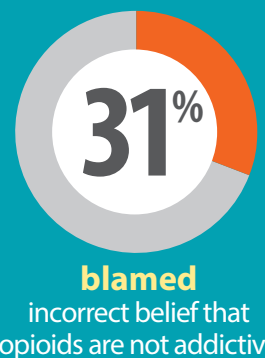

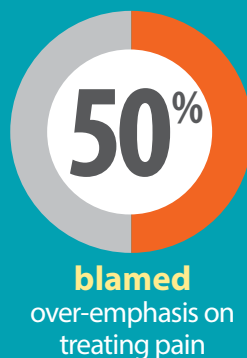

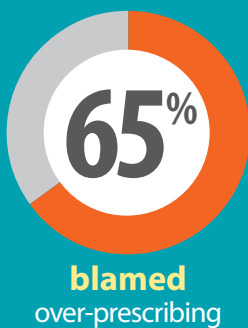

## OPIOID ADDICTION BY THE NUMBERS

Clinicians need better tools to fight the OPIOID EPIDEMIC

## Physicians and other clinicians were surveyed about the OPIOID EPIDEMIC

## 5 QUESTIONS FOR PROVIDERS

- ..... **1** Is prescribing an opioid appropriate?
- ..... **2** Have I considered alternate treatments?
- ..... **3** How will this patient react to the opioid dosage?
- ..... **4** Am I carefully monitoring high-risk patients?
- ..... **5** What have I done to reduce long-term opioid use?
