

ADVANCE EZ Post

Recruit more efficiently with our new online recruiting tool

Save time and eliminate errors using our revolutionary job posting technology. **ADVANCE EZ Post** allows us to collect job listings from your company Web site and post them to our site with no extra effort from you.

BENEFITS:

- Automatic transfer of job postings saves you time and energy
- Weekly updates keep your postings current and accurate
- Recognition technology eliminates duplicate postings, creating a clean, user-friendly job board
- Detailed Web tracking stats allow you to monitor your job postings

SPECIFICATIONS:

- EZ Post pricing is per specialty and per Web site monitored
- Job posting transfers and updates will occur 1x per week
- Job posting transfers and updates are unlimited within the purchased specialty
- Payment is billed in full at the start of the EZ Post period
